
Survey Results

Thank you for completing the survey! Your score is 4.7.

Your score reflects how children with disabilities are included into the physical education class. Solutions based on your score on each item will be made available in your account and via email. Please use the solutions provided to improve the experience of children with disabilities in the PE class.

here are the topics needing more attention:

- Environment
- Autonomy Supported Instruction
- Equipment

Below are the links to your Solutions Based on Results
